WHAT IS COMPAREMEDSRX?

CompareMedsRx offers a free prescription savings platform that helps users stop overpaying for their prescriptions by surfacing discounts most people never knew existed. With so many discount programs available and so little time to compare them, most people never realize how much they could be saving. CompareMedsRx does the searching for you, instantly comparing prices across 23+ discount programs and 70,000+ pharmacies nationwide so the best available price is always right in front of you. Whether you're covered or not, CompareMedsRx makes sure the savings you're entitled to are always easy to find.

WHY USE COMPAREMEDSRX?

Instant price comparison

See real-time prices from multiple discount programs and pharmacies all in one place, so you always know you're getting the best deal.

Local pharmacy results

Results are filtered by your location so you can find the lowest price at a pharmacy that's convenient for you.

No hidden fees

Completely free to use. No subscriptions required. No sign up needed to search.

All medications included

Discounts on brand name and generic options. Quickly search thousands of drugs, including GLP-1s.

i We beat insurance prices 40% of the time. Even with coverage, it always pays to compare.

HOW IT WORKS

- 1 Enter your medication name
- 2 Compare prices across 20+ programs & 70,000 pharmacies
- 3 Show the savings coupon at your pharmacy
- 4 Pay the lower price. No insurance needed
