Rx Savings In Your Pocket

You already compare prices before booking a flight or a hotel. Your prescriptions deserve the same treatment.

CompareMedsRx compares prescription prices from 24+ discount providers at over 70k pharmacies all in one place, so you always know you are getting the best deal. **Now available as an app**, putting instant savings right in your pocket.

Here's what real users are saying about the app!

Super easy way to shop Rx prices!

★★★★★ May 29 by cshah3333

I'm impressed. It makes it ridiculously easy to quickly shop the market and compare prices on my prescriptions. Clean app, no hassle, and it looks like its going to save me a lot of money. 10/10 recommend!
